OF INSECTS OF CORN.Insects that attack corn are num-
erous but most of them do not cause
serious damage. Occasionally local
attacks are severe and much is lost
in the harvest. Control measures for
insects, to be practical, should be
simple, cheap and easily applied.Most common corn insects have
four stages in their life history,
which may last a part of a year, one
year or several years. The four
stages are the egg, larva, pupa and
adult stage. The adult insect usually
deposits several hundred eggs and
its function in life is completed. The
eggs, as a rule, hatch out quickly
into the larval or worm stage. After
the worm finishes feeding, it turns
into the pupal or resting stage. From
the pupa emerges the adult as the
butterfly does from the cocoon.The description of the insect, its
life history, the character of damage
done and the control measures are
given of the insects. The insects are
divided into five classes, those that
work primarily on: (1) the roots,
namely, wire-worms, corn root aphid,
corn root worm, white grub worm;
(2) the insects that work on the
stalks are cut-worm, chinch bug, corn
bill-bug, army worm, grasshoppers,
and corn ear-worm; (3) insects that
work on the entire plant are the Eu-
ropean corn borer; (4) insects that
work on stored grain are the Angu-
mois grain moth, the Mediterranean
flour moth, and the weevil, and are
often found in large numbers where
the storage temperature is above
freezing in the winter.Diseases of corn, and Harvesting
will be discussed next Monday at
7:30.

MISSIONARY SOCIETY MEETS.

The Woman's Missionary Society

Horger gave a talk. It was decided
to have weekly prayer groups up

different parts of town. They are
to meet on Wednesday, 9:30 until

ightful refreshments of sandwiches,

SCHWEERS-SCHUEHLE.

A quiet wedding was solemnized
Saturday, February 22, 1936, at 7
o'clock P. M., in the Quilhi Lutheran
Church, when Miss Lillian Alice
Schuehle became the bride of Mr.
Bruno A. Schweers of Hondo. Rev.
C. Weber, pastor, read the impres-
sive marriage lines. The parents of
the young couple, Mr. and Mrs. Henry
Schuehle and Mr. and Mrs. John
Schweers, and Miss Nettie Schweers
were the only witnesses.The bride was attractive in a crepe
street frock of ashes of roses, with
which were worn a navy blue hat and
navy blue accessories.Immediately after the ceremony,
the bride and groom came to Hondo
to their home in the Martin residence.Both Mr. and Mrs. Schweers at-
tended Hondo High School, Mrs.
Schweers having graduated in 1934.
Mr. Schweers is a prosperous young
business man of Hondo, being prop-
rietor of the Hondo Bottling and
Transfer Co.The newly wedded pair has a host
of friends and relatives in Hondo
and Medina County who unite in
wishing them happiness and pros-
perity in their married life.

TO PARENTS.

Supt. J. G. Barry requests us to
say to parents that for the safety of
the entire school, children suffering
with colds or showing symptoms of
illness of any kind should be kept at
home until well. In this way the
school may be protected from epidem-
ics such as have closed schools in
many other places.

QUIHI NOTES.

What aileth thee, Hagar? Gen.
21:17.The angel of the Lord puts the
question. Why answer it? Even dim
eyes could see her misery—a flowery
past torn into tatters, a blazing waste
all around, the water supply gone,
the angel of death blowing taps for
her boy, no help far and near, and,
even should they survive the ordeal,
the future dull and hopeless. Why
that question? It seems to add mock-
ery to misery, pouring acid into her
bleeding sore. Can she really diag-
nose her case? What aileth thee, my
friend? Could you shoot your answer
straight from the shoulder? Skip the
question, if you feel tiptop all around.You are then one of the few white
blackbirds. Humbler sojourners on
this quaint earth, thousands of them,
may have abundance in all things of
stuff and substance, still they see
open gaps, days that bore and irri-
tate, leaving them vexed and irrita-
ted. And many of the under-privileg-
ed that have quaffed the cup of
heartaches to the very dregs and are
almost callous and hardened for cark-
ing cares, they feel it's not the lack
of substance and ease that makes
them fretful and embittered. Even
the most optimistic, inclined to flout
the most stinging reverses as a mere
storm in a teacup, no use denying,
even they have days when they sit on
pins and needles, beset with night-
mares and ready to hoist the white
flag. What aileth thee, Hagar, or
whatever your name may be? Not
the reverses of the past, nor the vision
of the future mattered much, but the
visibility upward is blocked and
clouded. She had a God and did not
know what to do with him. "The
Eyes of Texas Are Upon You!"
That's a fine sentiment and incentive.
But the eyes of a merciful Lord are
upon you. That's more. That thought
may cure those secret and undefin-
able ailments.

REGARDING THE BOND ISSUE.

Before voting against the \$20,000
bond issue on Saturday, February
29, the voters, especially of Hondo
and vicinity, should consider the
following:1. If this bond issue fails to carry
do you realize that we will lose
the fair grounds and all buildings
and improvements thereon? This
burden of debt and rent can no longer
be carried by either the Fair As-
sociation or the Booster Club. An
investment of over \$35,000.00 in
buildings and improvements will be
lost.2. The Boosters' Club, which has no
connection with the Fair Association,
was given complete control of the
fair grounds over two years ago.
Since that time the Club has spon-
sored two free Armistice Day cele-
brations and one May Day celebra-
tion, besides other small entertain-
ments, all at the fair grounds. Dur-
ing this time, we have paid the lease
on the property and carried the debt
as far as we were able.3. However, the burden of paying
has been great and has retarded us
in the events that we have sponsored.
We feel that if this bond issue car-
ries, we will be able to sponsor big-
ger celebrations than we have in the
past. Instead of having to pay our
profits for the lease, we can use it
for improvements. In time, we
could also repay Medina County for
this bond issue. No member of the
Boosters' Club has ever been paid
one cent salary; in fact, most of us
have been out money for the events
that we have given for Hondo and
Medina County.4. It is our intention, if the bond
issue carries, to revive our annual
Medina County Fair. We will make
it a free fair and it will be similar
to the recent November 11 celebrations.
We will be able to do this if this bond
issue carries.5. People do not seem to realize
that the buildings and improvements
are to be lost if this bond issue fails.
Remember, the buildings will be torn
down as the Boosters' Club does not
feel able to carry this burden any
longer and the Fair Association has
already quit. When will we get an-
other place so well suited for Armis-
tice Day celebrations, ball games,
picnics, etc.?6. There is no use for us to enter
into the tax angle of this subject.
You have the word of the Commis-
sioners' Court that this bond issue
can and will be paid out of the cur-
rent tax revenues and no additional
taxes will be levied. If this fair
ground is torn down, when will Hon-
do and Medina County ever get an-

able ailments.

It was a solemn impressive hour,
though only the nearest relatives
were present, when Mr. Bruno A.
Schweers and Miss Lillian Schuehle
were united in holy wedlock at the
little red church in the wildwoods.
The parents, Mr. and Mrs. John
Schweers and Mrs. Henry Schuehle
were the witnesses. A large number
of friends had attested their love and
esteem for the bridal couple a few
days before in an elaborate shower
at the parish hall, and on the day of
the festive occasion, though absent,
they, no doubt, showered their silent
good wishes upon them. May the
Lord bring it to pass what their
heart desires for a long and happy
future.For a while, things looked serious
for our young friend, Marvin Grell,
down with an attack of pneumonia.
There is a decided improvement and
we are grateful to the Lord. The
young man has had many a tussle
with bedridden conditions in his
young days, but the smile does not
seem to come off. And that's a treat.With rest and fine attention, Mrs.
Henry Schulte, Sr., is fast recovering
from a recent ailment. Rejoicing is
in order.The first modest attempt with
Lenten Services was made tonight.
It's wondrously amazing how many
can resist an urgent appeal for some-
thing that should get going without
appeal. After all, the number of
worshippers was not small, consid-
ering the many cases of sickness. Per-
haps a later hour for the service will
help. We'll start at 8 next Wednes-
day.Announcements for March the 31:
German service at 10:30; Sunday
school at 9:30; evening service at

BABY BEEF SHOW.The Hondo Chapter of F. F. A.
held a baby beef show on the plaza
Tuesday.There were many people present
looking at the calves.Some of the calves were sold to
local butchers and a few taken back
home to be finished.Three calves and one litter of pigs
were entered in the South-West Tex-
as Boys' Fat Stock Show in San An-
tonio.At a later date statistics will be
given as to amount of feed fed each
animal and number of pounds gained
during the feeding period.Many of the people of Hondo in-
terested in the promotion of better
livestock have been attending the
show at San Antonio. By going to
the show one is able to determine
just what it will take to produce a
winning animal.Sabinal held its 4-H show Tuesday
and received 15c per lb. for the best

AGAINST THE BOND ISSUE.At a meeting held on Feb. 5th at
Castroville, by the Castroville Tax
Payers League, the following reso-
lutions were adopted:That, whereas a \$20,000.00 county
wide bond issue is to be voted on, on
the 29th of this month;And, Whereas the debts of this
county and its subdivisions last year
amounted to 4 million dollars;And, Whereas, some time ago the
irrigation company debts of \$2,500,-
000.00 was reduced to \$750,000.00
by government aid, still leaving this
county and its subdivisions in debt
to the tune of about \$1,500,000.00;And, Whereas, the tax burden has
become so great that a large number
of tax payers are in default;And, Whereas, the imposition of
more unjustifiable and intolerable
taxes has destroyed governments,
overthrown kingdoms, dissolved em-
pires and cursed the world with war
throughout the history of civiliza-
tion;And, Whereas, the levying of un-
just taxes upon our forefathers
caused Great Britain to lose her
American Colonies, which have since
become more valuable than any other
earthly possessions. If the people of
Medina County will on this occasion
tread the beaten path of folly in
which others have gone to disaster,
shall we not tomorrow eat their bitter
bread of affliction and drink their
bitter cup of regret;And, Whereas, as a large number
of people are on relief and have to
work for a small remuneration in or-
der to make ends meet and have no
time to spend on playgrounds, but
must provide for their families to
keep the wolf from their door;Therefore, Be it Resolved by the
Castroville Tax Payers League in
meeting assembled that we urge the
tax payers of Medina County to come
to the poll on the 29th of this month,
and administer a crushing defeat to
this bond issue propaganda;Be it further resolved that nothing
shall be left undone to inform the
people of the dangers lurking behind
these movements;And, be it further resolved that
we oppose the spending of our tax
money for the holding of useless and
unnecessary elections.CASTROVILLE TAX PAYERS

CLUB.NOTES FROM ST. JOHN'S
SCHOOL.We are now prepared to report the
happenings of our school to you again
after a brief interval which has
elapsed unnoticed. Had we reported
to you during this brief interval,
our items, which we feel will inter-
est you, would not appeal to you as
much as they do now because of the
fact that the data of our school is
only reported on occasionally and
that this report is very definite in its
clauses we refrain from anything
that would not retain your attention.
The object or purpose of our report
is to make you, who read The Anvil
Herald, aware that we are up-to-date
and progressive pupils in St. John's.

OUR SEMI-ANNUAL EXAMS.

Our semi-annual exams have pass-
ed since you heard from us last. As
a whole we focused our attention on
the exams given us and we endeavor-
ed to the best of our ability to attain
a passable grade. The results of
our exams have filled us with a ray
of hope for the semester upon which
we have entered, which will either
end with success or with failure. We
hope that this "ray of hope" is not
"failure". We are glad to report
that our expectant graduates have
all made satisfactory marks in these
exams and you will notice that three
of them are on the Honor List. We
shall give their names here: Mildred
Huesser, Evelyn Koch, Emma Zieg-
enbalg, Mary A. Noonan and Mary
L. Haegelin. We shall really miss
these girls when they leave us, as
among them are to be found the
sweetest, most mannerly and most
intelligent girls in Hondo.SPELLING CONTEST AND
RESULTS.This contest, which was given the
last week of January, was conducted
by Rev. T. A. Flynn, who was very
well pleased with the efforts made
by pupils. Our teachers told us that
we did our very best and it is this
that pleased us most. The results
are as follows: Dorothy and Thomas
Ney (twins), Rose Marie Finger,
Maurice Zerr, Henry Martin Finger,
Maurice Rihn, Charles V. Richter,
James L. Weyand, and Dorothy
Benken received excellent or "E"
for spelling, and G. H. Finger, Ber-
nice Brucks, Mary Anne Noonan and
Mary Louise Haegelin were consid-
ered superior pupils or in other
words they received "S" which is
equivalent to "A", the standard with
which you are more familiar.Our "Little Angels" received ex-
cellent grades also. Space does not
permit the enumeration of the excel-
lent and superior "Little Angels"
here—report cards tell that story.

PRIVATE COMMUNION.

A class of fifteen made their pri-
vate Holy Communion in St. John's
Church on February 7. It was edify-
ing to see the "Little Angels" ap-
proaching the main altar and ascend-
ing the steps to receive their God in
Holy Communion for the first time.
How happy these guileless souls must
have been on that day, the memory
of which will always fill their inno-
cent souls with spiritual consolation
and happiness throughout their tem-
porary life in this vale of tears. And
now that they are enjoying the privi-
lege of receiving Holy Communion as
often as they wish and feel they
have been properly and thoroughly
instructed, they wish to thank their
paternal pastor, Rev. T. A. Flynn,
who zealously devoted a period ev-
ery day in endeavoring to implant
the good seed in the hearts of these
little ones.

SOLEMN COMMUNION.

Instructions for Solemn Commu-
nion are being started already. This
class is composed of sixteen pupils
from the intermediate grades. Our
instructor is a competent one and we
will feel responsible if in later years
we deviate from the right path which
we are now learning to value so
much.

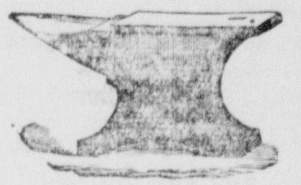

OUR NEW MAPS.

Our school has been equipped with
eight new maps since our last report.
They are beautiful and up-to-date
and we make good use of them in
studying geography.

A SURPRISE.

A surprise was given the pupils of
St. John's on February 17, when they
received a gift, Webster's Latest and
Complete Dictionary, from Dr. J. H.
Meyer of Hondo. It is a gift that
we highly value and appreciate.PRIZES AWARDED FOR
NEATNESS.Mary Louise Haegelin and Henry
Martin Finger received prizes as be-
ing the neatest pupils among the
"Stars". Pupils voted for the neat-
est pupil every Friday; votes were
recorded and the pupils having the
majority of votes won.

ST. PAUL'S LUTHERAN CHURCH

"Why trouble ye the woman? for
she hath wrought a good work upon
Me." Matt. 26, 10. Our Lord and
Savior has only a few days of life
left on earth. One should expect
Him to be absorbed entirely with the
fate about to be His. However, such
is not the case. He has time for His
friends in social fellowship. He de-
fends the kind service of Mary, sis-
ter of Martha and Lazarus in Beth-
any. (See John 12). It is in her be-
half that Jesus speaks the above
words. Jesus calls this a good work.
It is the first time we hear of Him
doing so. This service is welcome,
not only because of its significance,
but it is acceptable because it comes
from a soul such as Mary. She is
the one who sat at Jesus' feet to hear
His Words, which are spirit and are
life. It is she who now, quickened
by the Love which first loved
her, wishes to show her gratitude in
this way—she anoints His head and
feet with an expensive ointment. It
is not a wasteful service. The poor
will not starve on account of it, He
says. It is a good work.You and I are admonished again
and again to good works. During the
Lenten Season more than at any other
time we are encouraged to do this,
because we know what He has done
for us. Such service of love and
thankfulness will be accepted by the
Suffering Man of Sorrows. Deny
yourself for His sake. If from a
heart in which faith dwells such good
deeds proceed, men might call them
a waste, but God calls them "good
works". "Let your lights shine
before men that they may see your
good works and glorify your Father
which is in heaven."The second divine service for the

NEW ARRIVAL IN HONDO.

Esther Ruth, infant adopted daughter of Rev. and Mrs. W. C. Leibfarth of Hondo, Texas, made her first appearance in the sunny South last Thursday evening, Feb. 20. She braved the long journey from Dows, Iowa, in charge of her grandmother, Mrs. E. A. Kurtz. It was a marked change in temperature from 5 below zero to 60 above, but thus far no ill effects are noticeable.

For some time the huge snowdrifts in Iowa made the roads impassable, and the contemplated journey was postponed, until by chance the road was opened for the physician to attend some sick in the neighborhood. The first lap of the journey of over a mile to the open road was made across fields in a bobsled. The day after leaving that section one of the worst blizzards of the winter was experienced by the folks back home, while the little one was being carried safely by train toward the milder climate.

Mrs. Kurtz is the wife of Rev. E. A. Kurtz, pastor of the American Lutheran Church near Iowa, Iowa, and mother of Mrs. Leibfarth of Hondo. She intends to spend a few weeks with her daughter before returning home. Mrs. Kurtz is enjoying the normal temperatures of this part of Texas, which prove a welcome change from the low marks of one of the severest winters in the history of Iowa.

The little arrival will be four months old on March 9, and is in excellent health. Her parents are happy to provide her a home and already find much joy in her company.

LADIES' BRIDGE CLUB.

A pre-Lenten party on Tuesday was given by Mrs. L. J. Brucks for the Ladies' Bridge Club. Club trophies went to Mrs. O. B. Taylor for high and Miss Lillian Brucks for consolation. Refreshments of molded vegetable salad, saltines, cookies, and coffee were served to the following: Mesdames Alice Reinhart, F. H. Schweers, O. B. Taylor, Robert Kollman, J. M. Finger, Earl Starnes, L. E. Heath, L. J. Brucks, and Miss Lillian Brucks.

OBITUARY.

Miss Alice Newton, daughter of Mr. and Mrs. W. E. Newton, was born at Yancey, Texas, on the 20th day of January, 1888. She was converted in early childhood and joined the Methodist Church at Yancey, where she remained a faithful member until she moved with her family to Hondo, in the early part of 1911. About the first thing she and her family did when they moved to Hondo, was to move their church membership to Hondo. She became a member of the Hondo Methodist church on the first day of February, 1911.

Miss Alice received her first college training at the old San Antonio Female College, later she went to the Texas University, where she received her B. A. degree. Her life was practically spent in the school room, either as a pupil or teacher. She accepted a position as teacher in the Helm Public school at Houston in 1927, where she taught up to the time of her death.

She transferred her church membership from the Hondo Methodist Church to the Grace Methodist church at Houston, at the time she started teaching at Houston. She remained a devout, faithful, and loyal member until she departed this life for the great beyond. She was a noble character, and lived a self-sacrificing, Christian life.

She visited her people at Hondo, during the Holidays, after which she left Hondo for Houston on Sunday, January 5th. Little did she realize that she would be brought back to Hondo so soon for burial. She underwent a serious operation in Houston; for about two weeks she seemed to be doing so nicely, when suddenly she took a relapse, developed pneumonia, and grew worse and worse, until the end came. Everything was done that human skill and human hands could do to save her life, but of no avail, for the Master saw fit to call her from this life of sorrow, sickness, and pain, to that better world on high. She fell asleep in the arms of her Saviour, Thursday morning, February 13th, 1936, at the age of 48 years and 23 days.

Those who survive her are: Four sisters and two brothers, Mrs. T. B. Nixon of Pearsall, Mrs. O. B. Bradley, of Kerrville, Mrs. S. O. Woods, and Miss Bertha Newton of Hondo, Mr. J. G. Newton of Hondo, and Dr. E. H. Newton of Corsicana. She is also survived by her aunt, Miss Lou Randle, and sixteen nieces and nephews.

She shall be missed, not only by those who were near and dear to her, but by all who knew and loved her. May God in his infinite love, comfort those who are left to mourn her departure.

BRIDE-ELECT HONORED.

Miss Lillian Schuehle, the bride of Mr. Bruno Schweers, was honored with a miscellaneous shower Saturday afternoon, February 14, at the Quibi parish hall, with Mrs. August Saathoff of D'Hanis, Mrs. Willie Schuehle, Mrs. Emil Riff and Miss Frances Sauter as hostesses.

A valentine motif was featured in all the decoration, the hall being adorned with red and white crepe paper streamers and red hearts.

The honoree, attractively dressed in blue crepe, was brought to her place of honor by little Dolly Saathoff and Jackie Cooper, while Miss Hertha Weeber played the wedding march from Lohengrin. The little folk then brought in a wagon which was decorated in red and white and laden with shower gifts for the bride-to-be. Miss Elvera Schweers read the following toast:

TO LILLIAN.
In all these hearts which beat for you,
Are treasures from friends both old and new.
These you must use in your daily chores
In the home that will be his and yours.

Now lest you fail in some device,
Let me give you some sound advice:
Food is the road to any man's heart
Do your best and there is your start.
Keep your home both clean and bright,
Things done by halves are never done right.

If a task is once begun,
Never quit till it is done.
Moments are useless trifled away
So make each minute count in a day.
Always smile and never shirk,
It will keep him more when he's at work.

When dark clouds seem to hover near
There is a silver lining, never fear.
Always Bruno you must obey,
Remember, dear, now what I say.
With him, keep friends both old and new.

It will make real life both happy and true.
As down the road of life you stray,
We hope these memories in your heart will stay.

Following the displaying of the gifts, the hostesses served delicious refreshments of chicken sandwiches, cookies, heart shaped cakes iced in red, and coffee.

The bride's book, was in charge of Miss Eugenia Riff. About sixty guests registered during the afternoon.

WEDNESDAY NIGHT BRIDGE CLUB.

Mr. and Mrs. Earl Starnes were hosts Tuesday evening to the personnel of the Wednesday Night Bridge Club for several hours of bridge. After the games prizes were awarded Mrs. O. B. Taylor and Dr. H. J. Meyer for high scores. The hostess served refreshments of apple pie, coffee and hot chocolate. The guests were Mr. and Mrs. L. E. Heath, Mr. and Mrs. L. J. Brucks, Dr. and Mrs. O. B. A CORRECTION.

In the write-up of the birth and death of the infant son of Mr. and Mrs. Henry Nehr, a mistake was made in the baby's name. His name was Shirrell Jean instead of Malcolm, as printed.

L. J. Brucks, lawyer, is now located next to Beal's Barber Shop. tf

OLD ARIZONA COW-COUNTRY SEEN IN FILM.

Cattle-rustling in its most vicious form, carried on wholesale by bands of hard-bitten men who reckoned a human life worth no more than a snap of the fingers, figures importantly in Paramount's adventure-romance, "Nevada", which comes to the Colonial Theatre Monday and Tuesday, with Larry "Buster" Crabbe and Kathleen Burke in leading roles.

The setting for this thrilling new Western picture is the Arizona about 1900, when McKinley was in the White House. Rustlers preyed upon the Arizona cattlemen on such a large scale and with such consummate shrewdness that the ranchers found themselves virtually helpless.

In those days the railroads had not penetrated the great Southwest to any marked extent, and the annual "drive" by the ranchers plays a prominent part in the evolution of the film story. The ranchers, in their herds and drive them over the long, dusty route toward the El Paso market. Thus were the beginnings of the cattlemen's associations which were one day to become very powerful.

BIRY SCHOOL AND CONTENTS BURNED.

When the teachers and children arrived at the Biry school building last Wednesday morning they found it had burned down, a total loss, with all furniture, books, etc. It was following the terrible cold day, Feb. 18, the teachers, Mr. and Mrs. McCauley, were sure they turned the stove doors shut when they left in the evening. The building, which consisted of two large rooms, hallway between, and entrance porch, was some distance from the village and only some Mexicans living on a farm near reported seeing the fire late in the night or towards morning, we understand. The origin of the fire is somewhat of a mystery. It was insured for \$2,000, we understand, in a Hondo agency. The building stands midway between Devine and Hondo, probably a little nearer Devine.—Devine News.

Don't Guess But Know

Whether the "Pain" Remedy You Use is SAFE?

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

THE person to ask whether the preparation you or your family are taking for the relief of headache is SAFE to use regularly is your family doctor. Ask him particularly about Genuine BAYER ASPIRIN.

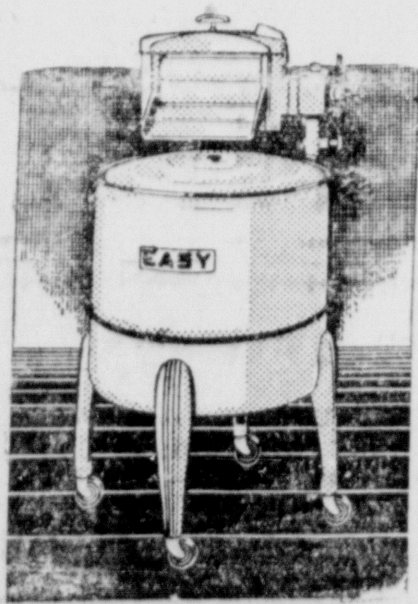

He will tell you that before the discovery of Bayer Aspirin most "pain" remedies were advised against by physicians as bad for the stomach and, often, for the heart. Which is food for thought if you seek quick, safe relief.

Scientists rate Bayer Aspirin among the fastest methods yet discovered for the relief of headache and the pains of rheumatism, neuritis and neuralgia. And the experience of millions of users has proved it safe for the average person to use regularly. In your own interest remember this:

You can get Genuine Bayer Aspirin at any drug store—simply by asking for it by its full name, BAYER ASPIRIN. Make it a point to do this—and see that you get what you want.
